ABOUT SLOVAK TELEKOM

Member of the multinational Deutsche Telekom Group, Slovak Telekom is the largest Slovak multimedia operator. The company offers a comprehensive portfolio of voice, data and TV services provided via fixed and mobile networks.

THE BUSINESS NEED

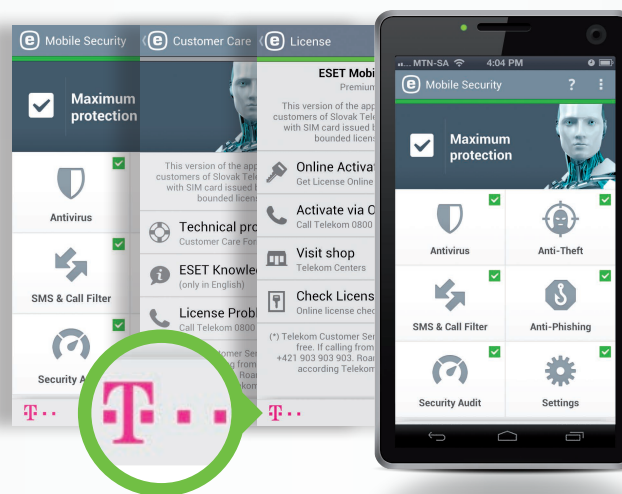

- Provide Mobile Security as a value-added service option to customers
- Gain competitive advantage by differentiating their product offering in a competitive market
- Protecting mobile phones against loss or theft, and securing device data against malware.

THE SOLUTION: ESET MOBILE SECURITY

The professionalism of ESET engineers and their willingness to help out with the customization and implementation of ESET Mobile Security Telekom Edition confirms that we made a good decision

when choosing this security solution for our customers. But the best testimonial is the app's excellent rating on Google Play and the growing number of active users.

Peter Terpák, Mass Market Segment PMM Senior Manager at Slovak Telekom.
